LIBRARY NEWS & INFORMATION

»» CONSTRUCTION UPDATES

Our on-going construction at our Main branch in Winnsboro is reaching exciting milestones. We have final paint details going up, new windows on the upstairs of the library building, and frames for the storefront windows going up. There's a bit of a delay in actually getting the glass in, which is why the original mid-September goal has come & gone. Once we have our glass in the storefront windows, the remainder of the project should move quickly.

NEED TO GET OUT OF THE HEAT? ««

Stay cool by stopping by either branch! We have tables & comfortable chairs you can sit in, computers you can use to browse the internet, and even Lego stations upstairs for the young library patrons to enjoy. While you're here, we can help you set up the Cloud Library on your phone or tablet, you can browse the shelves for your next great read, or find a DVD to watch later.
